Advantages of marvelmat

- ✓ Hygienic, served individually pocketed and for personal use.
- ✓ Disposable. The bathmat is disposable, but nevertheless the client can use it through all its stay, because its properties remain.
- ✓ Customizable. The upper side can be customized with the hotel logo or any phrase or message that wants to be transmitted to the clients.
- ✓ Economic, because the same bathmat can be used through all the stay of the same client, so the cost per room and day is minimum.
- ✓ In addition to the protection that gives to the bath or shower, no treatment is needed for its implementation, which means savings on cleaning products and staff time.
- ✓ The customer satisfaction by feeling security and having the feeling of new bath or shower every time.
